Southern District of New York

**Positions:** Judge Maas generally hires two law clerks each year for one-year terms commencing in September. The next available vacancies are for the 2014-2015 clerkship term.

**Rising Third-Year Students:** Judge Maas adheres to the Federal Law Clerk Hiring Plan (“Plan”) and prefers to receive applications through the OSCAR system.

**Graduates:** The timing described above does not apply to students who will have graduated by June 2013. Although such applicants may submit applications at any time, Judge Maas will likely conduct interviews in conformity with the Plan. The Judge reserves the right, however, to make clerkship offers to such candidates at earlier times. The Judge prefers that such applicants also apply via OSCAR.

*Applicants should visit the Court’s website (<http://nysd.uscourts.gov/judge/Maas>) or Judge Maas’s profile on OSCAR for updated information regarding vacancies and other hiring information.*
